

Capitol Scientific

60 YEARS

Trusted for 60 years, Capitol Scientific provides lab supplies and specialty chemicals to customers across the United States who value quality service, best-in-class products and cradle-to-grave logistics.

- HazMat experts in Flammable, Poisonous, Toxic, and Corrosive Materials
- Credit Terms available for Qualified Customers
- TX and CA Warehouse Locations for convenient Storage and Shipping

Drop shipping available from 100+ manufacturers.

Your Trusted Distribution Partner

THE RIGHT PRODUCTS

Capitol Scientific represents 350 manufacturers and 1M+ laboratory supplies and specialty chemicals for industrial, pharma, biotech, semiconductor, aerospace, manufacturing, academic, life sciences, environmental, tech and governmental labs.

THE RIGHT SERVICE

Exceptional *Customer First* service is the foundation for our success. Our team responds promptly to clients via phone, chat, text or email for an outstanding customer experience.

THE RIGHT DELIVERY

Our Logistics/HazMat Specialists are experts in stocking and shipping our customers' products to ensure timely delivery of materials with highly competitive LTL and Parcel rates with Tier 1 carriers. Complementary storage is available for most items.

THE RIGHT VALUE

We are proud of our reputation as a value supplier. Our online catalog and e-commerce platform have customer specific pricing that allows convenient ordering – 24/7. Be sure to ask about our Customer Loyalty Discount program.
